Dear Sir or Madam:

For over 75 years, Grace Lutheran School has provided a Christ-centered education to the children of Washington County. During this time, Grace Lutheran School has worked with enthusiasm and commitment to maintain affordable rates for families that desire a classical Christian education for their children. This school year, a high school curriculum was added and GLS now offers classes for Pre-K through high school. To assist in their efforts, the Parent Teacher League of Grace Lutheran School holds an annual Gala. This is an evening of wonderful fellowship, dining, and entertainment – highlighted by silent and live auctions. Through the generous efforts and donations of our school parents, community members, and businesses, the PTL has been able to help support the school by providing new computers, playground equipment, educational materials, sports equipment, field trips, teacher continuing education and much more. These funds make it possible for our students to have a classical Christian education with a bright future full of possibilities.

We will hold our Spring Gala, "Light of the World", on April 13, 2024. Any donation to our silent or live auction is greatly appreciated. Your contribution is tax deductible and is enormously beneficial to all our children and teachers. Enclosed, for your convenience, is the auction donation form. If you wish to make a contribution, please complete and return by March 27th. Also, please retain a copy of the form for your records.

If you need additional information, please contact Brittany Hartfield at 361-550-5040 or [britt0711@gmail.com](mailto:britt0711@gmail.com). Thank you for taking the time to consider donating to the Grace Lutheran School PTL Spring Gala.

Sincerely,

*Ashley Jahnke*
