## ABOUT GLS

Grace Lutheran School was established in 1947 next to the first church building on Church Street. In 1984, the new church and school was dedicated at the current location. For 75 years and counting, Grace has been providing an excellent Christian education preparing students to be faithful citizens of the kingdom of God and good citizens of our great country. Grace currently provides a solid education, as well as before and after school care, for Pre-K 2 through 8th grade (through 12th beginning Fall of 2023).

Grace Lutheran School is operated by Grace Lutheran Church of Brenham, which is a part of the Lutheran Church-Missouri Synod (LCMS). The LCMS and its congregations operate the largest Protestant parochial school system in America.

We believe that only the grace of God enables us to live and serve Him throughout our earthly pilgrimage and keeps us in the one true faith until we depart this life and enter into His kingdom of glory in heaven.

# OUR MISSION

## “Facentes Discipulis Sapientes Christo”

“Making disciples wise in Christ” is a theme capturing the intent of classical, Lutheran education and our commitment to make students not only intelligent, but faithful students seeking Wisdom from above. Living “in Christ” is a life of faith, a life founded upon the transcended truths of God that make a person wise and virtuous in a dying world. **The classical student, then, isn’t moved by the world’s dogmas, but stands firm on the Word of God making him wise to salvation found in Christ alone.**

*“I am very much afraid that the schools will prove the very gates of hell, unless they diligently labour in explaining the Holy Scriptures, and engraving them in the hearts of youth. I advise no one to place his child where the scriptures do not reign paramount.”*

Martin Luther

# CLASSICAL EDUCATION

**Classical education** is training students in the seven liberal arts. **The Trivium** is the arts of grammar, logic, and rhetoric.

**The Quadrivium** is astronomy, geometry, arithmetic, and music. These seven arts are skills, modes of learning, cultivating the body and soul of students forged to think critically about the created world.

**Classical education** isn’t about short cuts but formation, which takes time. The Lutheran classical education forms the body and soul, the mind and the spirit to contemplate the deeper meanings of the world and our existence before God and the neighbor. Far from being sheltered from the world, the classical student is wise to engage it.

Our challenging Christ-centered academic program includes the following:

- **Formal Latin Instruction** (*beginning in 1st grade*)
- **Omnibus** (*beginning in 7th grade: a comprehensive course covering literature, history, and theology*)
- **History**
- **Mathematics**
- **Physical Education**
- **Phonograms**
- **Science**
- **Literature**
- **Grammar**
- **Art**
- **Music Reading, Performance, & History**
